Designation of examiners

-For examiners designation, the applicants will submit to RCAA the Flight Examination Planning form FCL-PLAN-EXAM, in accordance with PAC-FCL: <https://www.caa.ro/uploads/pages/A17%20-%20FCL-PLAN-EXAM%20EN%202021.pdf> .

AUTORITATEA AERONAUTICĂ CIVILĂ ROMÂNĂ

-RCAA designates the examiner for each practical test in flight or simulator. In case the proposed examiner has carried out too many examinations or is subject to a special monitoring process, RCAA will appoint another examiner from the list of flight examiners authorised by RCAA.

-As a rule, when more examiners are proposed, only one will be assigned, in order to ensure a better monitoring of the examiners.
